RE REFERAL LETTER

Dear Sir/Madam,

This letter serves to inform you that, Mr. Vincent Phumlani Motha working under company Sisandza Technology Services (STS) worked as a Commission Engineer contractor to projects I was handling, Impumelelo Mine Project for RSV Enco Goba Coal JV and Sasol Mining (Pty) Ltd, Sasol Mining Goedeheop & Substation 5310, and Kimberley Sol Plaatjie Municipality.

Mr. Motha and his team, did an excellent job in commissioning all the substation for the above mentioned projects. It's over 3 year now, all the project substation been energized and the clients has not experienced any power loss due to improper commissioning.

In his quest of bid/tender submission to grow his business I trust this letter will add to his favor.

Should you have any further questions please do not hesitate to contact me.

Regards

M. THOMAS
