19 February 2018

Letter of recommendation for Sisandza Technology Services

To whom it may concern

This is to confirm that Govan Mbeki Municipality was appointed Sisandza Technology Services by Sasol to do protection grading study, testing, commissioning, maintenance and installation of remote control panels at the below substations in the financial year 2016/2017

1. Eskom GMM 22kV and 11kV Substation
2. 11kV Main Substation
3. 11kV Kleynhans Substation
4. Standerton 22kV and 11kV Substation
5. Emzinoni Ext4 22kV and 11kV Substation

All our knowledge and experience with Sisandza Technology Services has been very positive. Their experience in electrical engineering field has proven a great success for the municipality as they timely completed their project with Govan Mbeki Municipality

Govan Mbeki Municipality can definitely recommend Sisandza Technology Services to any company as they are solid electrical engineering company and they are experts in their field of work

Sincerely,

Mr. SL MOKOENA

Acting Deputy Director Energy
