## REFERAL LETTER

**DATE:** 23 SEPTEMBER, 2016

### **TO WHOM IT MAY CONCERN**

**This letter serves as a confirmation that Sisandza Technology Services** under the leadership of Mr. Vincent Phumlani Moitha who was working alongside APA Electrical as a Commissioning Engineer on the Sasol Shondoni Mine Middlebult Colliery JV Project with Worley Parsons.

At the Sasol Shondoni Mine, Mr. Motha has commissioned five (5) 11kV Substations & a 3.3kV Ventilation Substation. The substations have been energized since 2013 and there have never been any problems with the protection schemes or power failures reported ever since he commissioned such work.

Furthermore, I can confirm that I have worked with Sisandza on Sasol Synfuel 5210 Switchgears replacement project in which as expected of Mr. Motha & his Crew, all work was done exceptionally well and on time.

Lastly, I have worked alongside Sisandza on Maintenance of MV Switchgears & 45MVA Transformers in Actom projects.

I can confidently confirm that Sisandza Technology Services as the professionals, reliable with remarkable expertise in their field

A handwritten signature in black ink, appearing to read 'K.M. Mphahlele', is written over a horizontal line.
